March 26, 2026

Dear Capital Power:

As a designate *Environmental Protection and Enhancement Act* (EPEA) director, I approve a baseline of 0.2 kg/MWh of nitrogen oxides for each of Genesee Repower Units 1 & 2 EPEA 773 Operator according to the Emissions Trading Regulation (Alberta Regulation 33/2006; *Environmental Protection and Enhancement Act*).

Please send any questions or comments to emissiontrading@gov.ab.ca.

Approval on file.

Rob Hamaliuk
Executive Director
Air and Climate Policy Branch
Emissions Trading Regulation's Section 1(1)(n)
Environmental Protection and Enhancement Act Director
Alberta Environment and Protected Areas

Copy: Emission Trading Registry Operator
